### PERMISSION TO WALK

Dear Parents:

The safety and well-being of the students in our school are of paramount concern to us. We want to be confident that all children who are considered "walkers" have received proper guidance from parents and that all appropriate steps have been taken for their safety.

**This form allows your child(ren) to walk off campus after school without adult supervision.** Please note, students in PreK-3 through Grade 1 are not permitted to walk off campus after school without a parent-approved, older sibling or adult.

Please fill out, sign, and return this form to the school office before your student is dismissed in any way other than to a parent or approved pickup person. Thank you.

to walk off campus after school. I understand that in granting this permission, my child's teacher is authorized to release my child from Our Lady of Mount Carmel School. I also understand that my child must leave school property at dismissal time and will not be allowed to linger on school grounds.

If there is an extenuating circumstance, and my child needs to be dismissed with his/her class rather than as a walker, I will call the front office by **12:00 pm**.

When dismissed from school as a walker, please remind your children of the following safety guidelines:

- Students should only return to school in the event of an emergency.
- Walk off campus using the sidewalk or walking path; cross streets only at designated crosswalks.
- Obey all traffic signs and signals.
- Check-in with a parent or other designated adult/sibling when you get home.
